

EMCO MMV 2000

Since July 2017 we are broadening our production equipment with new **5-axis** machining center EMCO MMV 2000. With this new machine we are able to machine high precision parts up to **length of 2000mm!**

Max. dimensions are **2000 x 800 x 750 mm.**

Technical data

EMCO MMV 2000 - 5 axis	
Travel in X -axis	2000 mm
Travel in Y - axis	800 mm
Travel in Z - axis	750 mm
Table dimensions	2400 x 950 mm
Rotary table diameter	800 mm
Max. table load	1500 kg
No. of tool stations	40
